GREEN TEA

CLOUD & MIST (YUN WU) Zhejiang, China

- The tea grown here has this distinct flavour in part due to the combination of its rich river waters, resulting soil type, hilly typography, humid subtropical climate and of course, valley mist that blanket the tea bushes here.

Profile: light jade colour, buttery, macadamia, coconut, pina colada

HOJICHA OG+ Kagoshima, Japan

- From the same family that brought you our sencha - zairai, this hojicha makes the most of late season sencha by applying an additional drum roasting end stage. After the usual steaming and drying of a sencha process, the green tea is placed in a large rotating perforated drum over 200C+ charcoal heat for fast firing. The leaf changes to a light hazelnut brown, and the end result is a light, airy leaf full of sweet and nutty aromas.

Profile: light golden colour, toasty, roasted hazelnut, caramel

JASMINE DRAGON EYES OG+ Zhejiang, China

- Hand-rolled by Xiaowang Tea Co- Op's artisan tea crafters, the effort behind this is arduous from selection to shaping. The white streaks in these pearls denote an amount of young shoots were selected, not just purely mature green leaves. The green tea is then laid over racks of jasmine blossoms and the jasmine racks are exchanged five times to ensure a thorough infusion.

Profile: light yellow liqour, sweet, fragrant jasmine

OOLONG

IRON GODDESS (TIE GUAN YIN) Fujian, China

- At a high elevation of 1200m, the Mingjie staffers grow, cultivate and process this renowned tea, known for its highly favoured and signature floral scent.

Profile: light yellow colour, thickish viscosity with strong floral notes of frangipani and osmanthus, honey, plums

HERBAL OG+

HEAL OG+ Cold & flu recovery

A bold lemon-zest bouquet is brought to the fore in this revitalising infusion. Citrus abounds bolstered by mint and anise high notes. Ginger adds a warming balance.

Ingredients: lemongrass, ginger, calendula petals, fennel seeds, peppermint

Profile: golden, lemon & lime zest, honey, hint of cassia
